

# Boxing

This year we changed our boxing to 4 boxes only!  
Here are our sizes: 36 Cell Tray, 51 Cell Tray, and 18 Cell Tray. All 3 of them have the same footprint. To save you money on freight, we designed a box to fit more trays in for shipping. Take a look at the list on the right to see all of our “Small Propagation Plant” trays. This will help you save money!
